New Production  
Other Alloys  
Plumbing Parts  
Radiators  
Red Brass (Ebony)  
Shredded Scrap (Zorba)  
Stainless Steel  
Turnings  
Wheel Weights (Ropes)  
Yellow Brass (Honey)  
Zinc

## Prohibited Items

**The Scrap Yard DOES NOT BUY STOLEN ITEMS!** Material theft continues to be a growing problem throughout the scrap metal industry. We are fully committed to working with local authorities and affected parties to stop the acceptance of stolen material by all recyclers. Our policies are designed to fully comply with all current laws and regulations, and we continually train our employees so they can better recognize stolen or prohibited materials.

**In addition, for the safety of our employees and protection of the environment, we cannot accept the following:**

- Solid wastes – no wood, plastics, glass, trash, concrete, carpet
- Containers with free-flowing liquids
- Radioactive materials
- Pressurized/closed containers – must be clearly open and vented.
- Military scrap/explosives – no live ammo, gun powder or weapons
- Poisons or corrosives (no acids or caustics)
- PCB capacitors and ballasts – must have label “NO PCBs”
- Paint cans
- Circuit boards
- Oil, Fuel or Antifreeze
- Asbestos
- Propane or tanks
